	<b>REQUEST</b>	<b>CLARIFICATION</b>
1.	<p>We would like to humbly request for a one week extension from the set deadline of 17th September 2021. The extension will enable bidders carry out site surveys to all NCPD stations and formulate a proper bid.</p> <hr/> <p>kindly support with the below:</p> <ul style="list-style-type: none"> <li>· The GPS coordinates for all the 11 sites (We wish to carry out desktop surveys)</li> <li>· Also confirm if the physical surveys for the 11 sites are <b>Mandatory</b> otherwise desktop surveys will suffice.</li> <li>· Provide GPS co-ordinates for 11 NCPD sites?</li> <li>· Site Surveys – Page 3 mentions that the site surveys are a MUST. Cpu?</li> </ul>	<p>The bidder is only required to visit the HQ, the rest of the info about the remote sites will be provided by out contact; "Erastus Kivaya" &lt;ekivaya@ncpd.go.ke&gt;;</p> <p><b>Request not approved</b></p>
2.	<ul style="list-style-type: none"> <li>• . The tender document refers to lots, but the technical requirements are not grouped into lots. Could you please clarify this?</li> <li>• Is it possible to select and partially bid on those sites that are considered feasible by bidders?</li> </ul>	<p>ITT 35.4 is clarified in the document page 24 thus... <i>Tenderers shall be <b>not allowed</b> to quote separate prices for different lots</i></p>
	<p>It appears that capacity requirements on page 2 ("desired") don't align wholly with those on page 26 ("capacity")? Please confirm correct capacities?</p>	<p>Go by the capacity on page 26</p>
	<p>In terms of ITT 8.1 (b) a pre-arranged pretender visit to be held on <b>9 September 2021</b>. Do advise the requirements for attendance?</p>	<p>There shall be a "WAN and internet connectivity site visit form" to be filled and stamped for vendors. It will form part of evaluation criteria and bidders are advised to attach copies of the same in their respective bid documents</p>
